## Memorandum of Agreement Template

Revised January 2023

This Memorandum of Agreement (MOA) is entered into by and between the Commonwealth of Kentucky, the Kentucky Opioid Abatement Advisory Commission (the **GRANTOR**) by and through the Kentucky Office of the Attorney General (OAG), and Kentucky Harm Reduction Coalition (the **GRANTEE**) to establish an agreement for the **GRANTEE** to utilize opioid settlement funds. The initial MOA is effective from SEPTEMBER 1, 2023, through JUNE 30, 2024.

### Scope of GRANT AGREEMENT:

The **GRANTEE** shall utilize grant funds to deliver harm reduction services and increase access to community harm reduction resources among the most marginalized and at-risk individuals impacted by opioid use disorder or co-occurring substance use disorder or mental health issues in the urban and rural areas of Jefferson County and the five surrounding counties of Shelby, Trimble, Spencer, Oldham, and Bullitt. No funds shall be spent on needle exchange or related programs.

The scope of this **GRANT AGREEMENT** shall be governed by all statutory and regulatory requirements of KRS 15.291, KRS 15.293, KRS 15.295, KRS 17.160 and 40 KAR 9:010E. The Commission may deem any non-compliance from a **GRANTEE** as grounds to cancel the contract and recover any remaining unexpended funds and un-authorized expenditures.

1. The **GRANTEE's** Grant Application is incorporated into this agreement in whole. In the case of any conflict between the language of this **GRANT AGREEMENT** and the language of the Grant Application, the language of this **GRANT AGREEMENT** shall prevail.
2. This **GRANT AGREEMENT** shall not exceed **\$500,000** (five hundred thousand dollars).
3. The **GRANTEE** shall not sell or sign over its operation to any third party during the contract period, may not reapply for additional KYOAAC funds until the contract period has expired, must disclose all potential conflicts of interest, and acknowledges that additional awards are not guaranteed and shall be subject to a new application and review process for any awards beyond this agreement period.
4. The Goals and Objectives (A) and Expectation and Activities (B) to be accomplished

through this **GRANT AGREEMENT** shall be as follows:

### Responsibilities of the GRANTEE:

#### A. Goals and Objectives:

1. The **GRANTEE** shall use funds to expand and implement evidence-based harm reduction and prevention services which are tailored to opioid use disorder and any co-occurring substance use disorders. These services include, but are not limited to, developing and creating a harm reduction public messaging campaign, increasing naloxone education and usage, and

	<b>Document Description</b>	<b>Page 3</b>
2400000240	<b>KYOAAC Grant Award to KY Harm Reduction</b>	

increasing community engagement and awareness of harm reduction and prevention services.

2. The **GRANTEE** shall use evidence based and innovative approaches to implement the program, “Engage, Educate, and Empower.” The “Engage, Educate, Empower” program is an educational strategy developed by the **GRANTEE** to engage individuals affected by opioid use disorder or co-occurring substance use disorder regarding overdose and overdose death prevention as well as the prevention of spreading communicable blood borne diseases which can be transmitted through intravenous opioid use or co-occurring substance use. This approach will encompass collaborations with community partners in Jefferson County as well as the five surrounding counties.
3. **The GRANTEE shall use funds to educate individuals impacted by opioid use disorder or co-occurring substance use disorder about high-risk activities related to opioid use or co-occurring substance use and how such activities can lead to increased overdose death rates and transmission of HIV and Hepatitis C. The GRANTEE shall educate individuals by engaging with communities and providing linkage and information to care through meetings and community engagement events. The GRANTEE shall also implement “Community Provider Series,” where on each Friday, a new provider from a community resource will be available to discuss specific services such as medication-assisted treatment, holistic health, HepC, HIV, and other harm reduction modalities.**
4. **The GRANTEE shall create tailored harm reduction programming, including a “Harm Reduction Approach to Care” curriculum and educational materials, for those with opioid use disorder or any co-occurring substance use disorder. Such programming shall include overdose prevention education and Naloxone education and distribution in partnership with local organizations to support ongoing efforts to reduce the rate of fatalities within the marginalized communities.**
5. The **GRANTEE** will collaborate with People Advocating for Recovery, a statewide grassroots recovery advocacy organization. Through this collaboration, the **GRANTEE** will identify and partner with an organization in each of the six (6) covered counties to establish satellite harm reduction locations for delivering services to individuals impacted by opioid use disorder or co-occurring substance use disorder; create a harm reduction community advisory council to facilitate the delivery of harm reduction services to individuals impacted by opioid use disorder or co-occurring substance use disorder; implement focus groups to improve the delivery of harm reduction services to individuals impacted by opioid use disorder or co-occurring substance use disorder; research, develop and create an anti-stigmatized harm reduction curriculum and public messaging campaign which targets individuals impacted by opioid use disorder or co-occurring substance use disorder; make social circles for individuals impacted by opioid use disorder or co-occurring substance use disorder; and disseminate materials in the six counties to reduce overdose deaths attributable to opioid use disorder or any co-occurring substance

use disorder, decrease Hepatitis C and HIV transmission arising from intravenous opioid use or co-occurring substance use, increase Naloxone education and Naloxone usage through community engagement with and collaborative education for individuals impacted by opioid use disorder or co-occurring substance use disorder.

6. The **GRANTEE** shall use its outreach team to canvas communities and pass out five-question surveys asking about individuals' knowledge about harm reduction services.
7. The **GRANTEE** shall assemble a harm reduction advisory council, which will consist of representatives from where harm reduction activities and efforts will occur. The council will include those with opioid use disorder or any co-occurring substance use disorder, individuals in recovery from opioid use disorder or any co-occurring substance use disorder, service providers and other key community members.
8. The **GRANTEE** shall produce a strategic plan to identify strengths, gaps in services, and opportunities for development in its harm-reduction education and service delivery model.

**B. Expectations and Activities:**

1. *The **GRANTEE** shall engage with those individuals with opioid use disorder or any co-occurring substance use disorder by establishing satellite spaces in each of the six (6) covered counties, which will be the spaces used to provide weekly support meetings. The **GRANTEE** shall increase the distribution of Naloxone and other harm-reduction tools in these six (6) counties through its base at each satellite office. This will be achieved through Harm Reduction Specialists employed by the **GRANTEE**.*
2. *The **GRANTEE** shall build a "Harm Reduction Approach to Care" curriculum for providers in the covered six (6) counties to increase Hepatitis C and HIV education and testing. The **GRANTEE** will also increase community participation events where testing is offered, and provide testing at weekly community meetings.*
3. *The **GRANTEE** shall retain all purchase orders and receipts for naloxone and other overdose-reversal nasal spray kits, fentanyl test strips, and wound care supplies to be made available for inspection by the **GRANTOR** during the grant period.*
4. *The **GRANTEE** shall share with the **GRANTOR** the dates of canvassing efforts and results of the five-question survey asking about knowledge of harm reduction services delivered to individuals impacted by opioid use disorder or co-occurring substance use disorder; this shall include the total number of surveys completed on a quarterly basis until canvassing is completed.*
5. **The GRANTEE shall inform the GRANTOR when the harm reduction community advisory council is established, who the members are, meeting dates, and provide quarterly updates on the status of**

7. *The GRANTEE shall provide a short narrative summary of the curriculum testing phase that informs the Commission as to the conclusions and resulting recommendations from this testing phase.*
8. The GRANTEE shall report the number of new harm reduction trainers established during the grant period as well as how many MOUs are executed with partner organizations with the 6 county service area which includes Jefferson, Shelby, Trimble, Spencer, Oldham, and Bullitt counties and provide the Commission with copies of those MOUs upon execution.
9. *The GRANTEE shall provide a copy of the strategic action plan that it develops and the underlying data that was used when the plan is completed.*
10. *The GRANTEE shall provide the GRANTOR with a report of the total number of targeted individuals impacted by opioid use disorder or co-occurring substance use disorder whom the GRANTEE has a substantial contact with, meaning the targeted individual utilizing a service, product, event, or referral to a community partner organization because of the grantee’s efforts.*
11. *GRANTEE is expected to comply with all applicable laws and regulations, including the relevant components of KRS Chapter 15 and 40 KAR Chapter 9.*

C. **Utilization of Grant Funds:**

1. The GRANTEE agrees that only that portion of the GRANTOR’s fund necessary for the completion of the project (as detailed herein) will be spent. Use of these funds is limited to the approved project and budget listed on this GRANT AGREEMENT. The GRANTEE shall immediately notify the GRANTOR of any unspent moneys.
2. No funds may be used for construction, renovation, or to secure any kind of permits related to construction or renovation.
3. The GRANTEE shall deposit or immediately transfer awarded funds to a trust account held only for the purpose of drawing down grant funds. All expenditures for this award shall be made directly from that account.
4. The awarded funds pursuant to the GRANT AGREEMENT shall not be co-mingled with any other funds, accounts, or monies under the GRANTEE's name. Any interest deriving from the account shall be considered program income and shall be attributed to the project.
