DEFINITIONS AND INSTRUCTIONS

DEFINITIONS

As used herein:

As used in this Demand, the following terms shall have the meanings set forth herein:

“You” and “Your” means JPMorgan Chase & Co. and all agents, representatives, employees, independent contractors, attorneys, and other persons acting or purporting to act on its behalf, all subsidiary companies and affiliated companies, board of directors and advisory boards, and all joint projects, teams, or endeavors with any third party.

“All” and “any” shall each be construed to encompass the meanings of the words “all” and “any.”

“And” and “or” shall be construed broadly to include both the disjunctive and the conjunctive, to be equivalent to “and/or,” in order to render these Requests as broad as possible.

“Communication” means any expression, statement, conveyance, or dissemination of any words, thoughts, statements, ideas, or information, regardless of form, format, or kind. “Communication” includes but is not limited to oral or written communications of any kind, such as telephone conversations, discussions, meetings, notes, memoranda, letters, agreements, emails or other electronic communications, text messages, facsimiles, and other forms of written or oral exchange that are recorded in any way, including video recordings, audio recordings, written notes, or otherwise. Any Communication that also falls within the definition of “Document” shall constitute both a Document and a Communication for purposes of this civil investigative demand.

“Covered Company” means any entity to which You provide banking services of any kind that may be implicated by any commitment You made or intend to make to any Global Climate Initiative.

“Document” includes every “writing,” “recording,” and “photograph” as Federal Rule of Evidence 1001 defines those terms, as well as any “duplicate” of any writing, recording, or photograph. “Document” includes but is not limited to electronic documents, files, databases, and records, including but not limited to emails, voicemails, text messages, calendar appointments, instant messages, MMS messages, SMS messages, iMessages, computer files, spreadsheets, memoranda, books of accounts, ledgers, invoices, financial statements, purchase orders, receipts, canceled checks, charts, graphs, bills, facsimiles, and metadata. The term Document includes every draft of any other material that falls within the definition of Document.

“Environmental Goals” means achieving an outcome or changing behavior, including but not limited to changing information disclosure practices, related to any aspect of the environment or environmental policy. This definition includes but is not limited to goals that seek net zero greenhouse gas emissions standards or disclosures, compliance with the Paris Agreement (a.k.a. Paris Climate Agreement or Paris Climate Accords) or any agreement made at COP 26, the

imposition of a carbon tax, and/or adoption of electric vehicles, or renewable energy, including wind and solar power.

“ESG Factors” means factors relating to an entity’s environmental, ecological, climatological, social, and/or governance attributes, risks, opportunities, impacts, or effects, whether present or future, actual or perceived, and whether or not priced into the entity’s securities. This definition includes but is not limited to factors relating to an entity’s environmental, ecological, climatological, or social impacts. This definition includes but is not limited to disclosable factors under SASB and/or TCFD guidelines.

“ESG Integration Practices” means the practice of incorporating ESG factors into Your decisions related to provision of banking services and/or engaging with Covered Companies on issues relating to ESG Factors. This definition includes but is not limited to the practice of leveraging Your position as a provider of banking services to an entity or entities to take actions advancing environmental, ecological, climatological, social, or corporate governance-related goals. This definition further includes, but is not limited to, the use of screens or filters based on environmental, ecological, climatological, social, or corporate governance criteria in determining whether to enter into a banking relationship with an entity or entities. “ESG Integration Practices” shall be construed to include all similar activities, including activities described as “responsible banking” and/or “sustainable banking.”

“Global Climate Initiative” means any group, organization, or affiliation of private and/or public entities for the purpose of utilizing the financial system to reduce or eliminate greenhouse gas emissions or otherwise pursue environmental goals. Global Climate Initiatives include but are not limited to the Glasgow Financial Alliance for Net Zero and Net-Zero Banking Alliance.

“Identify”, when used with respect to a Person or entity, means information sufficient to allow employees of the Attorney General to ascertain the current contact information (name, home or business address, telephone number, email), and if not a natural person, the current contact information for Your point of contact with the entity or facility to be identified, as well as the relationship of that Person or entity to You.

“Identify”, when used with respect to a fact or event, means information sufficient to allow employees of the Attorney General to ascertain the fact or event with reasonable particularity, and to identify each Person believed to have knowledge with respect to the fact or event and each Document that refers or relates to the fact or event.

“Identify”, when used with respect to a transaction, means to provide information sufficient to allow ascertainment of the banking and financial information of the sending and receiving parties, the method of payment or funds transfer, and the natural persons involved with the transfer or payment.

“Identify”, with regard to a Communication, means to state with specificity the date of the Communication; the medium of communication; the location of the Communication; the name(s) and alias(es) of the Person(s) who made the Communication; and the name(s) and alias(es) of all Persons who were present when the statement was made, who received the Communication, who

heard the Communication, or who came to know of the content of the Communication at a later time.

“Person” means any natural person, corporation, proprietorship, partnership, association, firm, or entity of any kind.

“Relating to”, “related to”, and “relate to” mean to be relevant in any way to the subject matter in question, including without limitation all information that directly or indirectly contains, records, reflects, summarizes, evaluates, refers to, is pertinent to, indicates, comments upon, or discusses the subject matter; or that states the background of, or was the basis for, or that records, evaluates, comments, was referred to, relied upon, utilized, generated, transmitted, or received in arriving at any conclusion, opinion, estimate, position, decision, belief, policy, practice, course of business, course of conduct, procedure, or assertion concerning the subject matter.

“Research” means any and all research, analysis, assessment, study, report, audit, memorandum, or other investigation You conducted, drafted, created, commissioned, reviewed, received, or used.

INSTRUCTIONS

1. Unless specifically stated otherwise, please restrict your search for all information and documents requested below to the period from January 1, 2015, to the present.
2. For each Demand for Information and Documents, you shall type the Demand and type Your corresponding response. You should identify—by Bates range, or by file names and locations—which Documents are responsive to each Demand. If You do not know the answer to a Demand, You shall identify in Your response the individual or business entity that has the answer to the Demand for Information. The document on which You type each Demand and Your corresponding response shall be executed by You before a Notary Public.
3. No demand seeks privileged information. If You believe that You have responsive materials that are privileged, please produce a privilege log that identifies each Document or Communication, the basis for withholding the Document, the reason withheld, and sufficient information to permit the Attorney General’s Office to assess the applicability of the privilege and/or the work-product doctrine.
4. You are required to produce the following requested Documents and information, to the extent that they are within your possession, custody, and/or control.

DEMAND FOR INFORMATION AND DOCUMENTS

DEMANDS FOR INFORMATION

1. Identify all of Your divisions, groups, offices, or business segments whose responsibilities relate or used to relate to Your membership in the Net-Zero Banking Alliance or to Your ESG Integration Practices, and identify all executives, directors, officers, managers, supervisors, or other leaders of each division, group, office, or business segment.
2. Identify each Global Climate Initiative with which You are affiliated and explain the reasons You chose to join such Global Climate Initiatives.
3. For each Global Climate Initiative with which you are affiliated, identify who made the decision to join the Initiative, including any involvement or input from Your Board of Directors, investors, or Covered Companies in Your reasoning or decision.
4. Describe Your involvement in each Global Climate Initiative in which You participate, including the date You first began participating, any promises, pledges, or other commitments You made to the Global Climate Initiative, or any actions You made or took pursuant to, or consistent with, such commitments, or Your initial or on-going participation, and the employee(s) responsible for managing Your relationship with each Global Climate Initiative.
5. Identify the objectives and mission of the Net-Zero Banking Alliance and describe how You incorporated these objectives into Your operations.
6. Describe the extent to which You have incorporated the Principles for Responsible Banking into Your operations, including but not limited to the extent to which You consulted with other Net-Zero Banking Alliance signatories as part of the incorporation process.
7. Describe Your CEO's involvement as a member of the Glasgow Financial Alliance for Net Zero Principals Group, including but not limited to the dates, times, and locations of all Principals Group meetings, and any commitments, pledges, or other promises made by Your CEO, either for himself or on Your behalf, as part of his membership in the Principals Group.
8. Describe the extent to which You, as a signatory to the Net-Zero Banking Alliance, have acted consistent with Your commitment to "facilitat[e] the necessary transition in the real economy through prioritizing client engagement and offering products and services to support clients' transition."
9. Describe the extent to which You, as a signatory to the Net-Zero Banking Alliance, have acted consistent with Your commitment to "engag[e] on corporate and industry (financial and real economy) action, as well as public policies, to help support a net-zero transition of economic sectors in line with science and giving consideration to associated social impacts."
10. Describe the extent to which You, as a signatory to the Net-Zero Banking Alliance, have acted consistent with Your commitment to "support[] innovation, the near-term deployment

of existing viable technologies, and scal[e] up the financing of credible, safe, and high-quality climate solutions that are compatible with other Sustainable Development Goals.”

11. In responding to Requests 7-10, please include any Communications with, or other actions taken by You, to engage with any nationally recognized statistical rating organization.

12. Identify any target-setting guidelines and related “targets,” including but not limited to any “2024 targets,” “2030 targets,” “2050 targets,” or other “milestone targets,” for Your operations, and identify how You set those targets, the sectors involved in those targets, and how Your targets are or will be aligned with Net-Zero Banking Alliance guidelines.

13. Identify all entities to which You provide banking services that are part of the auto manufacturing industry, energy industry, or power generation industry.

14. Identify any agreements You have reached with any other financial institution to coordinate action to achieve net-zero emissions targets, including but not limited to any commitments You have made as part of Your membership in any Global Climate Initiative of which other financial institutions are also members.

15. Explain the basis of Your expectation, as a signatory to the Net-Zero Banking Alliance, that “governments will follow through on their own commitments to ensure that the objectives of the Paris Agreement are met,” including but not limited to whether You believe the United States government will meet its commitments under the Paris Agreement, the legal mechanism by which it will meet these commitments, and any assumptions related to the structure and function of the government that underlie Your belief.

16. Describe Your political projections underlying Your predictions regarding any mandates, or subsidies in the United States related to achieving environmental goals, including but not limited to the political composition of Congress and the executive branch, adopted legislation and administrative rules, the impact of any mandates or subsidies on energy prices and the impact of increasing energy prices on an incumbent party’s control of Congress or the executive branch.

17. Explain the manner in which You incorporated Your assumptions about energy transition and government mandates into Your general macroeconomic forecasts, and forecasts for Covered Companies. For example, to the extent Your analyses of credit risk for a Covered Company presumed that the United States would limit or prohibit fossil fuel-based energy production by a certain date, please explain how You incorporated that assumption into Your analyses of the costs of energy, the impact of those costs on economic growth in general and the credit risk of other Covered Companies, and the financial performance of other U.S. companies affected by those changes.

18. Identify the methodology and results of any analysis You conducted relating to the economic impact of transitioning all Covered Companies to net zero by 2050, including but not limited to the costs associated with the transition and any assumptions You made relating to any government action that might be taken to facilitate the transition such as new laws, regulations, mandates, or subsidies.

19. Identify all entities with which You declined to do business or chose to stop doing business due either directly or indirectly to Environmental Goals, ESG Factors, or ESG Integration Practices and explain how the Environmental Goal, ESG Factor, or ESG Integration Practice informed Your decision.

20. Identify any interactions or engagements You have had with a Covered Company related to the Covered Company's political, lobbying, or trade association activities, including any such activities related to environmental issues, reduction of greenhouse gas emissions, restrictions on fossil fuel use, or compliance with the Paris Agreement, and explain how any resulting change in a Covered Company's operations aligned with the economic interests of the Covered Company.

21. In Your May 2021 "Carbon Compass" methodology, You identified "targets to reduce the carbon intensity" of Your "global Oil & Gas, Electric Power and Auto Manufacturing portfolios," and further indicated that "[o]ver time, [You] intend to expand "Carbon Compass" to address additional sectors, and [You] aim to extend and improve its application in accordance with best practices and improved data availability." Please explain: (a) How You chose those industries/sectors and set those numerical targets, including specifically identifying all Communications You had with any outside party, including but not limited to contractors or consultants, relating to the setting of those targets. For the avoidance of doubt, Your response should include all communications ERM or other consultants had with outside parties such as Global Climate Initiatives or members thereof; (b) What other sectors You plan to expand "Carbon Compass" to cover; and (c) The mechanism by which You will "extend and improve" "Carbon Compass," including whether You intend to align "Carbon Compass" with NZBA guidelines.

22. In Your April 2021 "Carbon Compass" methodology, You note that "Reducing greenhouse gas (GHG) emissions...will require collective ambition and action across the public and private sectors." Please describe what steps You have taken to get "collective...action" toward the goal of "reducing greenhouse gas (GHG) emissions," including but not limited to: (a) Any agreements You have reached with any other financial institution to coordinate action to reduce emissions, including but not limited to any commitments You have made as part of Your membership in any Global Climate Initiative of which other financial institutions are also members; (b) Any Communications You have had with any other financial institution relating to a Covered Company achieving any Environmental Goal; and (c) Any Communications You have had with any Covered Company about how it will be difficult for that Covered Company to finance its activities without achieving specified Environmental Goals.

23. Explain the role Your Center for Carbon Transition ("CCT") played in establishing Your emissions intensity reduction targets, as noted in Your 2021 Environmental, Social & Governance Report, including but not limited to identifying all Communications between the CCT and any Global Climate Initiative or any of Your employees who interacted with any Global Climate Initiative on Your behalf.

24. Identify all entities to which You provide banking services that are part of the auto manufacturing industry, as You used that term in Your May 2021 "Carbon Compass" methodology.

25. Identify all entities to which You provide banking services that are part of the oil & gas industry, as You used that term in Your May 2021 “Carbon Compass” methodology.

26. Identify all entities to which You provide banking services that are part of the electric power industry, as You used that term in Your May 2021 “Carbon Compass” methodology.

27. In Your May 2021 “Carbon Compass” methodology, You note that “if needed, [You] will also consider reallocating capital so that [Your] global sector portfolios in [Your] chosen sectors are aligned with the goals of the Paris Agreement.” Please explain how You will determine whether capital reallocation will be necessary, and whether and to what extent You have entered into any agreements with other financial services companies related to determining whether to reallocate capital away from any given Covered Company, including but not limited to any commitment by You to consult with any other financial services company about such reallocation.

28. According to Your October 8, 2021 “Environmental and Social Policy Framework,” You “will not provide project financing or other forms of asset-specific financing where the Proceeds will be used to develop a new greenfield coal mine,” nor will You “provide lending, capital markets or advisory services to clients deriving the majority of their revenues from the extraction of coal. By the end of 2024, [You] will also phase out [Your] remaining credit exposure to such clients.” Please explain how You decided to adopt these policies, including but not limited to identifying all Communications You had with any outside party, including but not limited to any Global Climate Initiative or member thereof, related to the formulation of these policies.

29. According to Your October 8, 2021 “Environmental and Social Policy Framework,” You “will not provide project financing or other forms of asset-specific financing where the proceeds will be used to develop a new coal-fired power plant or refinance an existing coal-fired power plant.” Please explain how You decided to adopt this policy, including but not limited to identifying all Communications You had with any outside party, including but not limited to any Global Climate Initiative or member thereof, related to the formulation of this policy.

30. According to Your October 8, 2021 “Environmental and Social Policy Framework,” You “will not provide project financing or other forms of asset-specific financing where the proceeds will be used for new upstream, midstream or downstream greenfield oil and gas development in the Arctic, including the Arctic National Wildlife Refuge.” Please explain how You decided to adopt this policy, including but not limited to identifying all Communications You had with any outside party, including but not limited to any Global Climate Initiative or member thereof, related to the formulation of this policy.

31. In Your October 8, 2021 “Environmental and Social Policy Framework,” You note that “businesses...must work together to facilitate the transition to a low-carbon economy.” Please explain what steps You have taken to work with other businesses in the financial services industry

to facilitate a transition to a low-carbon economy, including but not limited to identifying any Communications You had with any Global Climate Initiative or member thereof.

32. In Your October 8, 2021 “Environmental and Social Policy Framework,” You note that “legal and regulatory obligations” “may constrain [Your] work against the ambitions of the NZBA.” Please identify all legal and regulatory obligations that may limit Your ability to achieve the goals of the NZBA.

33. Identify all members of the following teams or committees: (a) Commercial Banking “Green Economy” specialized industry team; (b) Operating Committee; (c) Corporate Responsibility Team; (d) Corporate Sustainability Team; (e) Operational Sustainability Team; (f) Climate Risk Team; (g) Global Environmental Team; and (h) Social Risk Management Team.
