

HELP US FIND THE VICTIMS

Through no fault of the Derby, human traffickers use large-scale sporting events to prey on victims in order to profit from human trafficking.

Recognize the Signs of Human Trafficking

There is no one single indicator of human trafficking, but a combination of any of these signs is commonly seen in victims:

- Traveling in groups and may have identical tattoos or branding.
- Unable to identify what town or state they are in or where they are staying.
- Lacking official identification documents or personal possessions.
- May appear malnourished or have physical injuries.
- Avoiding eye contact and adhering to limited, scripted or rehearsed responses in social interactions.
- May express a loss of sense of time.
- Possessing multiple pre-paid credit cards.

Report Human Trafficking

The law requires reporting any suspected case of child abuse and everyone has a role to play in preventing human trafficking:

- If someone is in immediate danger **dial 911**.
- To report suspected human trafficking of a child, call **877-KYSAFE1**.
- Victims of human trafficking may also call or text the **National Human Trafficking Hotline** at **888-373-7888**. Interpreters are available.
